

Addendum to AXA's Elevate Insurance Application form

Complete this form if you are applying for insurance through AXA's Elevate that will be paid for out of a North Investor Directed Portfolio Service (IDPS) account. Attach the completed form to your AXA's Elevate Insurance Application form, issue date 19 September 2011.

Plan number (if known)

North IDPS account number

North account holder name

Name of person to be insured

Adviser name

Adviser number

If you nominate a North IDPS account, all non-superannuation plans quoted will be paid out of your North IDPS account. To nominate a North IDPS account, you must be authorised to transact on that account.

Please note: If you are also applying for a superannuation plan through a North, Summit, Generations or iAccess Superannuation or Pension account, you will need to provide the relevant account number for the payment of these premiums in the Application details section of AXA's Elevate Insurance Application form. If you do not nominate an account number then the superannuation plan will be owned by N.M. Superannuation Proprietary Limited through the Super Directions Fund.

The following table supplements the table on page 25 of AXA's Elevate Insurance Application form for any insurance being paid from the North IDPS account. If you are also applying for insurance cover that is not being held through the North IDPS account, refer to the table on page 25 of AXA's Elevate Insurance Application form for the relevant forms to be completed.

Page no.	Forms to be completed	Non-superannuation application through North IDPS account
Authorities
